

## Speaker Series

- Our goal is to include womxn from all types of math careers
- Two talks:
  - research talk
  - career path talk
- Past speakers:
  - Katy Craig (UC Santa Barbara)
  - Genevieve Walsh (Tufts University)
  - Adriana Salerno (Bates College)
  - Becca Thomases (UC Davis)
  - Candice Price (Smith College)
  - Moon Duchin (Tufts University)
  - Rachel Pries (Colorado State)

## Workshops and Panels

- Professor panel
  - 5-minute research talk
  - casual meet-and-greet
  - great opportunity to meet potential advisors
- Grad school panels
  - Applying to grad school
  - Life as a math grad student
- LaTeX workshops
- REU applications workshop
- and more...
  - Bystander intervention training
  - Climate survey
  - Professional development panels
    - Industry
    - Academia
  - Negotiation workshop

## In collaboration with RTG: Algebra, Geometry and Topology\*

### BRIDGES Conference

- For early grad students and advanced undergrads
- May 20-22, 2020 @the U
- Speakers:
  - Eloísa Grifo (UC Riverside)
  - Wei Ho (U Michigan)
  - Aaron Pollack (Duke)

### AWM-RTG Speaker Series

- Visit from a mathematician from an underrepresented group in mathematics or that works towards the advancement of these groups in the field.
- Three talks:
  - research talk
  - colloquium talk
  - career path talk
- Past speakers:
  - Agnès Beaudry (CU Boulder)
  - Bianca Viray (U Washington)

\*funded by NSF grant #1840190

ASSOCIATION  
FOR WOMEN  
IN MATHEMATICS

# OUR MISSION

Our **goals** are to:

- support
- build a community for
- mentor
- encourage
- introduce role models to
- increase interest in math from

underrepresented groups in mathematics including, but not limited to:

- women
- people of color
- members of LGBT+ communities
- first-generation college students
- people with disabilities
- non-traditional students
- economically disadvantaged people

## Who We Are

### Officers

**President:** Sabine Lang

**Vice-president:** Anna Nelson

**Treasurer:** Peter McDonald

**Secretary:** Claire Plunkett

### Committee Chairs

**Speaker Series:** Sabine Lang

Allechar Serrano López

**Mentoring Program:** Hannah Hoganson

**Outreach:** Allechar Serrano López

**RTG/AWM Conference:** Janina Letz

**Events:** Samantha Hill

### Faculty Advisor

Christel Hohenegger

## What We Do

### Lunch discussions

- Once a month
- Discuss topics at the intersection of gender, academia, STEM education, inclusion, and diversity

### Mentoring

- Matches undergrad students with a grad student mentor
- All students are welcome to join
- Improving community within the department

### Outreach

- Workshops for K-12 students
  - Defining Your Path
  - Expanding Your Horizons
  - What is Math? Day

### Socials

- Once a month
- Co-organized with other student groups (SIAM, GSAC, USAC)
- Monthly celebrations:
  - September: Welcome back!
  - October: Celebrate National Hispanic Heritage Month and LGBT History Month
  - November: Celebrate Native American Heritage Month
  - January: Celebrating Mathematicians with Disabilities
  - February: Celebrate Black History Month
