

# Get Started with Pearson's MyMathLab

## First, make sure you have these 3 things...

**Email:** You'll get some important emails from your instructor at this address.

**Course ID:** A Course ID looks something like this: professor12345 (Your professor will provide this)

**Access code or credit card:** The required access code comes either with your book or by itself at your bookstore. Alternatively, you can buy instant access with a credit card or PayPal account during registration.

## Next, get registered!

1. Go to [www.mymathlab.com](http://www.mymathlab.com).
2. Under the large **Register** section on the right side of the page, and click the **Student** button.
3. Read the onscreen instructions and click **OK! Register now**.
4. Next, enter the **Course ID** for your course (get this from your instructor).
5. After this, either **Create** a new Pearson username and password, or, if you've already registered for another Pearson product (i.e. MyMathLab), **Sign In** with that username and password.
6. On the next page, click the **Access Code** button if you purchased a package with an access code from the bookstore, OR purchase instant access now by clicking on the purchase options under the **Use a Credit Card or PayPal** section.
7. You are now registered! Now, it's time to sign. Go to [mymathlab.com](http://mymathlab.com) and click the **Sign In** button in the top right. Enter your username and password.
