For the final exam, you must bring the following.

- (1) your U of U photo ID card to the final exam
- (2) AND your 8.5x11 inch reference sheet with all formulas you think you need written on it. We will not provide any formulas during the exam.
- (3) AND a scientific calculator from this list of approved calculators. (Note: If your calculator is not on this list, show it to your instructor to see if we can get it approved and added to this list.)
