

# Pizza Study Session

## Tuesday 3:00 PM

8th floor of the WBB building room # 820  
(Across from Atmospheric Sciences Office)

### \$4.00 per person

Please \$ bring to class so we can get the pizza for study/party

A chance to relax and enjoy your choice of  $2\pi$  radians of pepperoni or cheese pizza while reviewing for our final. The room features two large whiteboards with multiple markers, cushioned seats, and classmates who all share the similar goal, to do extremely well on the final.

We will be making a possible second pizza run later in the afternoon/evening for those who can't make it until later. The Building closes at 7 PM, if you plan on coming later, call one of us to let you in. Let us know if you have any questions, concerns, or comments.

Hope to see you there.

Daniel Schaffer (801) 452-5988

Ulysses Ramírez (801) 897-2125
